§ 1965.224 Prepayment of loans caused by advance payments on the account.

If the loan on a project, in which the last loan to build or acquire new units was obligated prior to December 15, 1989, reaches or falls below six remaining payments due to borrower voluntary advance payments or mandatory extra payments required by FmHA or its successor agency under Public Law 103-354 regulation or law, the borrower will be notified that the final payment on the account cannot be accepted unless a prepayment request is made. FmHA or its successor agency under Public Law 103-354 will inform the borrower that, by law, prepayment regulations must be followed for all loans requesting prepayment subsequent to enactment of the law. The borrower will be required to submit all applicable information required by §1965.205 of this subpart and complete all applicable actions required by this subpart before a final payment can be accepted.

EXHIBITS TO SUBPART E

EXHIBIT A-1—REQUIRED CLAUSES FOR ACTIVE BORROWERS WITH PROJECTS SUBJECT TO RESTRICTIVE-USE PROVISIONS AS A RESULT OF SPECIFIC LOAN MAKING OR LOAN SERVICING ACTIONS

The following Multi-Family Housing projects are subject to restrictive-use provisions as set forth in their loan documents or security instruments:

- (a) All loans approved between December 21, 1979, and December 15, 1989;
- (b) Subsequent loans not made to build or acquire new units approved on or after December 15, 1989;
- (c) Any loans approved prior to December 21, 1979, and subsequently made subject to restrictive-use provisions due to a servicing action (e.g., transfer, reamortization, consolidation) as described in subpart B of part 1965 of this chapter, or an incentive to deter

prepayment of the loan as described in this subpart.

All loans or servicing actions meeting the above criteria with prepayment incentives obligated or approved after the effective date of this regulation, will be subject to the following restriction. The restriction will be inserted in the deed, conveyance instrument, loan agreement/resolution, assumption agreement, interest credit agreement, or reamortization agreement, as appropriate. The restrictions are applicable for a term of 20 years from the date on which the last loan was closed or made subject to such restrictions as a result of a servicing action or incentive to not prepay.

“The borrower and any successors in interest agree to use the housing for the purpose of housing people eligible for occupancy as provided in section 514 or section 515 of title V of the Housing Act of 1949, as amended, and FmHA or its successor agency under Public Law 103-354 regulations then extant during this 20 year period beginning (the date the last loan on the project is obligated, or date the project was last made subject to the prepayment restrictive-use provisions as a result of servicing actions or incentive to not prepay the loan, authorized under this subpart or other subparts). Until (date), no eligible person occupying the housing shall be required to vacate, or any eligible person wishing to occupy shall be denied occupancy without cause. The borrower will be released from these obligations before that date only when the Government determines that there is no longer a need for such housing, or that such other financial assistance provided the residents of such housing will no longer be provided due to no fault, action or lack of action on the part of the borrower. A tenant or individual wishing to occupy the housing may seek enforcement of this provision, as well as the Government.”

EXHIBIT A-2—REQUIRED CLAUSES FOR PROJECTS MADE SUBJECT TO RESTRICTIVE-USE PROVISIONS WHEN A LOAN IS TRANSFERRED TO A NON-PROFIT ORGANIZATION OR PUBLIC AGENCY TO AVERT PREPAYMENT

Multi-Family Housing projects made subject to restrictive-use provisions because of a transfer and subsequent loan to a nonprofit organization or public agency in order to avert prepayment of the loan as described in this subpart are subject to restrictions which are set forth in the loan instruments or security agreements. Loans meeting the preceding conditions with prepayment incentives obligated after the effective date of this regulation will be required to have the following restriction inserted in the deed, conveyance instrument, loan resolution, and assumption agreement, as applicable:

“The borrower and any successors in interest agree to use the housing for the purpose of housing very low- and low-income people eligible for occupancy as provided in Farmers Home Administration or its successor agency under Public Law 103-354 regulations then extant during the remaining useful life of the project. A tenant or person wishing to occupy the housing may seek enforcement of this provision as well as the Government. Throughout the remaining useful life of this project, no eligible person occupying or wishing to occupy the housing shall be required to vacate or be denied occupancy without cause. Rents, other charges, and conditions of occupancy will be set to meet these conditions. The borrower will be released during such period from these obligations only when the Government determines that there is no longer a need for such housing, or that such other financial assistance provided to the residents of such housing will no longer be provided due to no fault, action or lack of action on the part of the borrower.”

The restrictions are intended to protect only very low- and low-income individuals and families for the remaining useful life of the project, unless the Government subsidy is removed without cause or it is determined there is no longer a need for the housing. These restrictions will not be superseded by new restrictions imposed by subsequent transfers. Eligible moderate-income tenants living at the project at the time of prepayment will not be required to move as a result of the restrictions. Moderate-income applicants for the housing will continue to retain priority over ineligible applicants for the housing.

EXHIBIT A-3—REQUIRED CLAUSES FOR PREPAID PROJECTS WHICH WERE SUBJECT TO RESTRICTIVE-USE PROVISIONS PRIOR TO THE PREPAYMENT

The required clauses contained in this exhibit pertain to the following multi-family projects, unless an exception to the restrictive-use provisions have been granted in accordance with this subpart:

(a) Any loan on the project obligated between December 21, 1979, and December 15, 1989, or subsequent loan not made to build or acquire new units approved on or after December 15, 1989;

(b) Any loan made subject to restrictive-use provisions as a result of a transfer, consolidation, or reamortization as set forth in this subpart;

(c) Any loan made subject to restrictive-use provisions as a result of accepting an incentive to not prepay as set forth in this subpart;

(d) Any loan previously subject to restrictive-use provisions being accelerated.

The preceding projects may only be prepaid if the title to the real property is made subject to the following restrictive-use provisions and incorporated in the security releases. The borrower will also be required to execute the Restrictive-Use Agreement found at exhibit G-1 to this subpart.

"The owner and any successors in interest agree that the housing located on this property will be used only as authorized under section 514 or 515 of title V of the Housing Act of 1949, as amended, and 7 CFR part 1965, subpart E, or other regulations then extant until (insert date shown on existing restrictive-use provisions). A tenant or applicant for occupancy may seek enforcement of this provision as well as the Government. During the restricted period, no eligible person occupying or wishing to occupy the housing shall be required to vacate or be denied occupancy without cause. Rents, other charges, and conditions of occupying will be set so that the effect will not differ from what would have been, had the project remained in the FmHA or its successor agency under Public Law 103-354 program. The owner agrees to keep a notice posted at the project, and in a visible place available for tenant inspection, for the remainder of the restrictive-use period, stating that the project is to be used in accordance with the Housing Act, and that management practices and rental rates will be consistent with those necessary to maintain the project for (insert "low- and moderate-income" or "very low- and low-income" as shown on existing restrictive-use provisions) tenants for the remainder of the restrictive-use period."

The provisions provide protections to the same categories of tenants who were protected while the loan(s) were in effect, to the same extent that the tenants were protected prior to the prepayment and for the length of time remaining under the restrictions prior to the prepayment.

EXHIBIT A-4—REQUIRED CLAUSES FOR PREPAID PROJECTS WHICH BECAME SUBJECT TO RESTRICTIVE-USE PROVISIONS AT THE TIME OF PREPAYMENT

Multi-Family Housing projects which were not subject to restrictive-use provisions prior to prepayment may, generally, only be prepaid if the title to the real property is made subject to one of the following restrictive-use provisions and the provisions are filed with the security releases. The restrictive-use provisions apply to all loans made prior to December 21, 1979, that were not subsequently made subject to restrictive-use provisions as a result of servicing actions after December 21, 1979. The restrictions will also be used for sales of projects at foreclosure for projects not previously subject to

restrictive-use provisions. The conditions for which restrictive-use provisions are not required are set forth in §1965.215 of this subpart.

(A) *20-year Restrictive-Use Provisions.* These provisions are used when the owner agrees to restrictive-use provisions for a minimum of a 20-year period, and agrees to offer to sell the assisted housing and related facilities to a qualified nonprofit organization or public agency in accordance with Farmers Home Administration or its successor agency under Public Law 103-354 (FmHA or its successor agency under Public Law 103-354) regulation upon termination of the 20-year period. The period is calculated from the date on which the last loan for the project was obligated or applicable servicing action taken. The borrower will also be required to execute the Restrictive-Use Agreement found at exhibit G-2 to this subpart.

"The owner and any successors in interest agree to use the housing as required in 7 CFR part 1965, subpart E or other regulations then extant during this 20-year period beginning (date of the last loan or servicing action) for the purpose of housing low- and moderate-income people eligible for occupancy. A tenant or applicant for housing may seek enforcement of this provision, as well as the Government. Prior to (date period ends) no eligible person occupying or wishing to occupy the housing shall be required to vacate or be denied occupancy without cause. Rents, other charges, and conditions of occupancy will be established to meet these conditions such that the effect will not differ from what would have been, had the project remained in the FmHA or its successor agency under Public Law 103-354 program. The owner also agrees to keep a notice posted as the project for the remainder of the restrictive-use period, in a visible place available for tenant inspection, stating that the project is to be used in accordance with the Housing Act, and that management practices and rental rates will be consistent with those necessary to maintain the project for the protected population for the remainder of the restrictive-use period. At the expiration of this period ending (date), the housing and related facilities will be offered for sale to a qualified nonprofit organization or public agency, as determined by FmHA or its successor agency under Public Law 103-354."

(B) *Loans Over 20 Years Old.* These provisions are used when all loans were obligated and applicable servicing actions took place for the project over 20 years prior to the prepayment, and the owner enters into an agreement to immediately attempt to offer the project for sale to a nonprofit organization or public agency in accordance with §1965.216 of this subpart. The borrower will also be required to execute the Restrictive-Use Agreement found at exhibit G-3 of this subpart.

RHS, RBS, RUS, FSA, USDA

Pt. 1965, Subpt. E, Exh. F

“The owners and any successors in interest agree to immediately offer to sell the housing and related facilities to a qualified non-profit organization or public agency, as determined by Farmers Home Administration or its successor agency under Public Law 103-354.”

(C) *Current Tenants Restrictive-Use Provisions.* These provisions are used when the owner enters into an agreement that no current tenants will be displaced due to a change in the use of the housing or an increase in rental or other charges, as a result of the prepayment, for as long as the current tenants wish to remain at the project. The provisions may only be used if it is determined by FmHA or its successor agency under Public Law 103-354 that the conditions specified in this subpart, addressing the effect of prepayment on minorities, handicapped individuals, and families with children in the project and market area, can be met, allowing an exception from the requirement to offer the project to sale to a non-profit organization or public body. The borrower will also be required to execute the Restrictive-Use Agreement found at exhibit G-4 to this subpart.

“The owner and any successors in interest agree to use the housing for the purpose of housing eligible low- and moderate-income people occupying the project at the time the prepayment was accepted, as provided in 7 CFR part 1965, subpart E, and other applicable regulations then extant. No eligible person currently occupying the housing shall be required to vacate prior to the end of the remaining useful life of the project without cause. Rents, other charges, and conditions of occupancy will be established to meet these conditions. Existing tenants are protected to ensure that none experience new or increased rent overburden until each voluntarily moves from the project. The owner also agrees to keep a notice posted at the project in a place available for tenant inspection, for the remaining useful life of the project or until the last existing tenant vacates, stating that the project is to be used in accordance with the Housing Act, and that management practices and rental rates for current tenants as of the date of the prepayment will be consistent with those necessary to maintain the project for low- and moderate-income tenants. A tenant may seek enforcement of this provision as well as the Government.”

F. Upon any default under its representations or agreements set forth in this instrument, Grantee, at the option and demand of Grantor, will repay to Grantor forthwith the original principal amount of the grant stated hereinabove, with interest at the rate of 5 percentum per annum from the date of the default. Default by the Grantee will constitute termination of the grant, thereby causing cancellation of Federal assistance under the grant. The provisions of this Grant Agreement may be enforced by Grantor, at its option and without regard to prior waivers by it of previous defaults of Grantee, by judicial proceedings to require specific performance of the terms of this Grant Agreement or by such other proceedings in law or equity, in either Federal or State courts, as may be deemed necessary by Grantor to assure compliance with the provisions of this Grant Agreement and the laws and regulations under which this grant is made. **EXHIBIT G-4—RESTRICTIVE-USE
AGREEMENT**

(To be used with paragraph (C) to exhibit A-4 to this subpart)

(Name of Borrower), herein referred to as owner, and any successors in interest agree to use the (Name of Project), herein referred to as housing, for the purpose of housing low- and moderate-income people occupying the project at the time the prepayment was accepted, as required 7 Code of Federal Regulations (CFR) part 1965, subpart E, and other applicable Farmers Home Administration or its successor agency under Public Law 103-354 (FmHA or its successor agency under Public Law 103-354) regulations then in existence. No eligible person occupying the housing shall be required to vacate prior to the end of the remaining useful life of the project without cause. Rents, other charges, and conditions of occupancy will be established to meet these conditions for these tenants such that the effect will not differ from what would have been, had the project remained in the FmHA or its successor agency under Public Law 103-354 program. Existing tenants are protected to ensure that none experience new or increased rent overburden as a result of owner actions until each voluntarily moves from the project. The owner also agrees to keep a notice posted at the project in a visible place available for tenant inspection, for the remaining useful life of the project or until the last existing tenant voluntarily vacates, stating that the project is to be used in accordance with the Housing Act, and that management practices and rental rates will be consistent with those necessary to maintain the project for low- and moderate-income tenants. A tenant may seek enforcement of this provision, as well as the United States.

Pt. 1980

7 CFR Ch. XVIII (1–1–01 Edition)

Furthermore, the owner agrees to be bound by the applicable provisions of 7 CFR part 1930, subpart C, specific to tenant rights and relations for the remaining useful life of the project or until the last existing tenant voluntarily vacates. The owner agrees to be responsible for ensuring that rental procedures, verification and certification of income and/or employment, lease agreements, rent or occupancy charges, and termination and eviction remain consistent with the provisions set forth in 7 CFR part 1930, subpart C, and to adhere to applicable local, State, and Federal laws. The owner agrees to obtain FmHA or its successor agency under Public Law 103–354 concurrence with any changes to the preceding rental procedures that may deviate from those approved at the time of the prepayment, prior to implementing the changes. Any changes proposed must be consistent with the objectives of the program and the regulations. Documentation, including annual income recertifications, shall be maintained to evidence compliance in the event there is a future complaint or audit. The owner must be able to document that rents were established at appropriate levels. The owner agrees to make the documentation available for Government inspection upon request. The owner and any successors in interest agree to provide the following signed and dated certification to the applicable FmHA or its successor agency under Public Law 103–354 Servicing Office or other designated office within 30 days of the beginning of each calendar year until the last existing tenant voluntarily vacates:
